Yesterday at 9:24am

Here is a testimony. I have been hitting my targets. Still on course to launch 17th. Still have one little hiccup. I will figure out if that is going to delay the launch on Thursday.

My biggest issue has been me struggling with my financial value: will anyone really pay for what I am offering? I mentioned this in the prayer room. Man (I guess I should say Woman), can those ladies pray! Need prayer go there. What a blessing.

Saturday I was up at 1:30 am struggling with this. I pulled out my prayer journal and started journaling. I told God I needed some one to respond to me. I know I shouldn't be struggling like this (I was getting great prayer support) but I was and I needed something.

I got up Saturday morning and checked my email. There was a message from a pastor. It was lengthy, here were some excerpts from it. "Jim I need your experience and insight. Would you consider letting us hire you as a consultant? Are you available Tuesday at 7:30 am for breakfast where we can talk about this? I look forward to hearing from you."

It reminded me of James, you do not have because you do not ask.

It also reminded me of what a African pastor said. When you pray do you hope God will answer or do you expect God to answer? Expecting is much better.

Just now

I just sent 21 quotes, verses and sayings for Michael John Paul to turn into infographics. I meet with my sales mentor and web designer tomorrow. My accountability partner on Saturday.  
I had a meeting with a potential client today. That was a fascinating conversation.

Vikiana's creation for my vision board. This book and the online coaching that comes with it is going to happen this year. Deadline for the book is May when I will most likely attend a YWAM leaders conference. And June going back to Australia, starting online coaching. 😊

### #19 - Live for the Last Day of Your Life

There's no higher level of personal fulfillment on earth than reaching a position in life where you know you have something of great value to contribute to the world--and you are joyfully making that contribution.

Day 10

### #19 - Live for the Last Day of Your Life

A life of contribution is one we can all celebrate. Imagine you have come to the end of your days, and people from every facet of your life are gathered around you...what do you want each of them to say in tribute to your life.

## Day 10

### #20 - Look for Opportunities Every Day

It's not enough to think about the last day of your life, hoping for the best. You have to live in such a way that you will be remembered as you hope to be. Use this exercise as a lifelong planning tool. Aim for Your Best Year Ever every year and you'll live the Ultimate Life!

## Day 10

### Example:

I wrote that I want my daughters to say, "Our mom put us first. She never lost sight of what matters most. She taught us to love and live with passion--to love God and serve others." I want my friends and members of my church and community to say, "Donna treated everyone with love and generosity. She was gracious at all times, even under pressure."

## Day 10

Obviously, if I expect people to say those things, I'm going to have to live them out first. That will require prayer, planning and action. I'll have to routinely substitute what I know I should do for what I "feel like" doing.

## Day 10

### Your #1 Obstacle?

It might just be an Unhealthy Soul.

"I want, I think, I feel. I don't want, I don't think, I don't feel."

## Day 10

### Your #1 Obstacle?

Are we Spirit-led or Soul-driven?

## Day 10

### Your #1 Obstacle?

For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart. Hebrews 4:12

## Day 10

### Your #1 Obstacle?

Do our actions line up with the Word of God?

Spend time in Proverbs every day.

**Day 10**

**It's Your Turn:**

If the tributes you've just written are to be spoken from the heart by those you've touched, you'll have to do the same. You'll have to live each day with the end in mind.
