Take Your Daughter To Work Day

“

See what great love the Father has lavished on us, that we should be called children of God! And that is what we are! - 1 John 3:1

WHAT'S THE PURPOSE?

- Your father delights in taking you to work!
- He wants you to see what he does all day.
- He wants to “show you off” at the office.

ARE YOU A DELIGHT TO TAKE TO WORK?

- Every day is “Take Your Daughter to Work Day” in God’s Kingdom.
- The whole world is His office.

“

"The earth is the Lord's, and
everything in it."

- 1 Cor. 10:26

ARE YOU A DELIGHT TO TAKE TO WORK?

- Your Father wants you to come along with Him and see what He's up to.
- Are you a delight to take to the office?

“

How can I be a joy to the Father when
He brings me to work?

WHAT ISN'T EXPECTED?

1. Providing intelligent and highly valuable advice for dad about how to do his job, which he is certainly going to implement immediately.
2. Believing that the whole operation is depending on our ability to take over and get the job done after an infinitesimally small amount of time at the office.
3. Remaining a helpless child forever. At some point, we develop skill and begin to partner with him.

GUIDELINES

1. Don't tell dad how to do his job.
2. Don't try to "help."
3. Be polite.
4. Look your best.
5. Be a joyful positive reflexion of daddy.
6. Get along with all of his co-workers.
7. Stay amazed and giddy!
