God Confidence Week 1

KEY 1: ASSIGNMENT

- Based on feedback from many of you, there seems to be a great need for clarity concerning assignment.
- Trust the Holy Spirit.
- Bring the YOU God created to this process (release selfish ambition and vain conceit).
- Praying “thy KINGDOM come, thy will be done,” trust that your desires are de - sire (from the father).
- God has given you the de-sires of your heart and He — more than you — wants to see them fulfilled.

“

What makes me happiest in life? When do I feel most alive?

“

What do people thank me for?

“

What do people compliment me for?

“

**What do people tell me I
should do? “You’d be a great
”**

“

**Who do I look up to? Who
inspires me and why?**

“

**Who are some of the mentors
and role models God has
placed in my life?**

“

Why do I think God chose them? What direction might he be gently leading me toward?

“

When is the last time I way over-delivered; went far above and beyond what was promised or required?

“

Was it, by any chance, for the sheer joy of doing what I do best?

“

***When was the last time I
totally lost track of time?
What was I doing?***

“

When was the last time I was so excited about something I was working on that I couldn't sleep or couldn't wait to hop out of bed in the morning to get back to it?

“

Imagine God blessed me with a \$100 million inheritance. Money is no longer my master. What work would I keep doing anyway? What would I devote my days to?

“

What would I gladly do for free, if money was a non-issue in my life?

“

What would I dare to do, right now, if I knew I couldn't fail, couldn't make a fool of yourself and no one would criticize or condemn me?

“

...so why aren't I doing it?

“

***If I could BE anything, what/
who would I BE?***

“

**If I could DO anything, what
would I DO?**

“

If I could *HAVE* anything, what would I have?

“

Imagine: I am attending my own funeral, what do I MOST want to be remembered for?

“

**A memorial is being dedicated
in my honor — why? What did
I do?**

“

I have an hour of free time and decide to surf the internet - what do I search for/listen to/watch?

“

I walk into a bookstore...what section do I go to?

“

If someone were to peruse my book (or Kindle) collection, what would they conclude about who I am and what I am on earth to do?

“

Ask yourself...

“

What do I love most? (The subject comes up, I can't stop talking about it.)

“

What do I do best?

What are my top 5 skills?

“

What do I stand for? (What would you put on a billboard in Times Square?)

“

**What bothers me that I'd like
to see changed in the world?
What do I stand against?**

“

**What concerns me most about
what the next generation will
face?**

“

If time and money were no object, if I had unlimited resources and anything was possible, what problem would I solve in the world?

“

**Before I leave planet earth, I
want to.....**

“

**What would my ultimate
dream career be?**

“

**Who are the people I want in
my life?**

“

***Are there any concrete actions
I need to take right now to
move forward?***

“

**Thinking back to when I was
5-10 years old. What did I
dream of becoming?**

“

***If I were guaranteed it would
be an international bestseller,
what book would I write?
Why?***

“

What's stopping me from writing it?

“

What career path do I see others succeeding in and think, “I wish that were me”?

“

Ask God...

**Lord, what do Me want to say
to me?**

“

What's blocking me from moving forward in my relationship with You?

“

**What wrong beliefs do I have
about You...or life or myself?**

“

***Is there anyone I need to
forgive?***

“

**How do you see my marriage?
or What plan do you have for
my singleness?**

“

How can I enhance my key relationships?

“

Any special instructions about my children? How can I meet their needs and nurture them?

“

What is my primary ministry?

“

**How can I best serve God in
this season of my life?**

“

What seasons are ahead?

“

**Do you have an ASSIGNMENT
for me?**
